Principal Mr M J O'Hare

Reference : H.H. SMITH & SONS CO. LTD

19th September 2006

H.H. SMITH has been the main contractor on a number of accommodation improvements on the site in the last 5 years. The developments have involved new build and major refurbishment works. Projects include:

- Refurbishment of Pastoral Area;
- Refurbishment of Performing Arts Facilities;
- Build of new Canteen and Student Social Area;
- External works including DDA improvements;
- Creation of Photoprapgy facilities;
- Acoustic improvements and building works to music Department.

Excellent working relations have been established with the college. We have found all their staff to be very positive and helpful. Works are completed on time, to a high standard and in a cost-effective manner. Smith's are a well established, local company who can be relied upon to perform. We would strongly recommended them to you.

Yours sincerely,

Peter Woods

Assistant Principal
