Dear Jason,

**RE: LIST APPROVED CONTRACTORS**

I refer to the above and the recent completion of the work or repair to gable wall at St Malachy, Collyhurst and to your letter dated 18<sup>th</sup> March 2005 re future projects.

I agree you have very successfully completed a job which could have been very problematical and I have been impressed with your prompt attention to the emergency very close to Christmas and with your attention to Health & Safety issues, programme of work etc.

I keep a very selective list of contractors for Church Diocesan work and having regard to this successful relationship I am happy to add HH Smith & Sons Co Ltd to my list of contractors

Yours sincerely
