

Education – College/Universities
Audenshaw High School
Six Form Buildings

Brief Description

Phase 1	2 storey ICT extension
Phase 2	2 storey lab extension
Phase 3	New laboratory equipment
Phase 4	Flood damage repairs
Phase 5	Extension to sports hall and new gymnasium

Start Date:	2008
Completion Date:	Present day
Value:	£1 million plus
HHS Role:	Main Contractor
Client:	Audenshaw High School
Site Manager:	Various
Contract Manager:	D H Smith
Architect:	Design & Build
Quantity Surveyor:	Design & Build

Key Points to note:

All the above contracts were carried out on a design & build basis so the specific requirements of the Heads of Department needed to be included.

Challenges:

Several major planning issues had to be overcome involving several meetings with members of the local community and Tameside planning committee.
