

Education – College/Universities
Manchester University
Stopford Building

Brief Description

Major internal adaptation of existing building.

Start Date:	May 2008
Completion Date:	Dec 2008
Value:	£900,000
Contract Period:	22 weeks
HHS Role:	Main Contractor
Client:	Manchester University
Site Manager:	Paddy O'Hanlon
Contract Manager:	Rob Smith
Architect:	Turner Townsend
Quantity Surveyor:	Turner Townsend

Key Points to note:

Fast rate of spend accelerating during holiday periods.

Challenges:

Very strict site access routes at times. Strong management required to implement all Health & Safety measures and site access procedures.
