

Stockport College, Greater Manchester

H.H. Smith & Sons Co Ltd

The Brief

H.H. Smith undertook phase 2 of works at Stockport College which incorporated the refurbishment of the Gallery Restaurant to provide an updated dining experience. A commercial kitchen was installed along with a fully functional restaurant area with toilets, changing facilities and circulation routes. To compliment the scheme a major window replacement programme was undertaken.

Key Points

The Client required all works to be completed within the summer recess period of 12 weeks.

Challenges

Daily site meetings were held to facilitate the co-ordination of key sub-contractors including mechanical services, electrical works, kitchen equipment and window manufacturers.
