BUILDING YOUR HORIZONS

IT'S BEEN A BUSY YEAR

H.H. SMITH
— & SONS CO LTD —

BUILDING YOUR HORIZONS

As we conclude 2025, I wish to express my profound gratitude to every member of the H.H. Smith family, our dedicated employees, trusted partners, and loyal clients. This year has been marked by significant achievements, including the award-winning restoration of Rochdale Town Hall and the creation of inspiring educational facilities and community-enhancing projects across Britain. Throughout these endeavours, we have steadfastly upheld our commitment to quality, safety, and craftsmanship.

Our strength lies in our people, many of whom have been integral to our journey for decades and in the trust of those who continue to choose H.H. Smith.

As we embark on a new year, we remain committed to building with integrity, fulfilling our promises, and shaping a built environment that endures. I wish you and your loved ones a peaceful Christmas and a prosperous New Year.

Rob Smith

SOCIAL VALUE

As a company, we are dedicated to supporting local charities and community initiatives in the areas where we operate. This year, we have been fortunate enough to assist even more causes. One of the standout moments was the Manchester to Blackpool charity bike ride. Our team of 27 cyclists braved the wet and windy conditions across the North West, raising over £11,000 for 'The Christie'.

DONATIONS

This year, we have contributed even more to local businesses and charities. With a total of over £71,532 donated throughout the year, this demonstrates our strong commitment as a company.

TOURS

At Touchstones in Rochdale, the team has been conducting local tours for members of the community interested in learning more about the site. These tours highlight the ongoing projects and future plans for the establishment.

SPONSORSHIP

As a company, we have consistently demonstrated our deep commitment to supporting local sports clubs within the community. This year, we have not only maintained that dedication but have also increased our contributions across the borough.
